at Doggy Moggy Holidays
Le Chêne Vert
Thiat, 87320
Val d'Oire et Gartempe**

From Poitiers take the N147, direction Limoges. At Bussiere Poitevine take the D942, direction Le Dorat, then take the road to Lathus St Remy/Montmorillon. At the crossroads Azat-Le-Ris/Thiat follow the D49, direction Thiat, after the railway crossing in Thiat-Oradour Station you will reach the centre on your right following the first bend.

From Chauvigny follow the D54 to Montmorillon, then follow the signs to Lathus St Remy/Le Dorat. Follow this road through Lathus towards Le Dorat, after the Grand Etang and signs for Futuroscope you take a right turn, direction Thiat, on the D49, at the Azat-Le-Ris/Thiat crossroads, keep to your right after the railway crossing, the centre is on your right after the first bend.

From Gueret, La Souterraine, Magnac Laval follow the N145 West and take the right turn D942 for Magnac Laval, shortly after crossing the A20, continue to Le Dorat where you need to follow the Lathus signs on the D4bis/D54. At the Thiat / Azat la Ris junction turn left, cross the railway and keep to your right. The centre is on your right after the first left-hand bend.

From Civray, Confolens, cross the River Vienne in L'Isle Jourdain, follow the road to Adriers and turn right in the centre of the village, direction Bussiere Poitevine. At the junction with the N147, on the edge of Bussiere, cross the N147 and follow this road to Le Dorat, through Bussiere Poitevine to the roundabout in Le Dorat. Follow the signs for Lathus/Poitiers. At the Thiat / Azat la Ris junction turn left towards Thiat. After crossing the railway keep right, the centre is on your right after the first left-hand bend.

From Limoges take the N147, direction Poitiers. At the third roundabout in Bellac take the Le Dorat road, D675. In Le Dorat follow the Lathus St Remy/Montmorillon signs. At the crossroads with the D49, take the left turn to Thiat, follow this road, keeping to your right after the railway crossing. The centre is on your right, just after the left-hand bend.
